DETAILED ACTION

Response to the Amendment

1. This Action is responsive to the Amendment After Final filed 23 January 2004. No claims have been added, cancelled or amended. Claims 1-30 are pending in the application.
2. Based on the new formal drawings filed on 23 January 2004, the objections to the drawings are withdrawn.

Response to Arguments

3. Applicant's arguments, filed on 23 January 2004, with respect to claims 18-23 have been fully considered and are persuasive. The rejections of claims 18-23 have been withdrawn. The examiner agrees that the White reference (U.S. Patent No. 6,624,077) was not filed or published prior to the filing date present application, and therefore is not prior art under 35 U.S.C. 102(e) or 35 U.S.C. 103.

Allowable Subject Matter

4. Claims 1-30 are allowed.
5. The following is a statement of reasons for the indication of allowable subject matter:

Referring to claims 1-17, the primary reason for allowance of the claims is the inclusion of a step of forming a second trench in the core material with first and second

Art Unit: 2874

ends in general alignment with the first and second ends of the first trench and with the second end of the second trench being deeper than the first end of the second trench.

Referring to claims 18-23, the primary reason for allowance of the claims is the inclusion the trench being disposed entirely within the first cladding layer with a portion of the first cladding disposed between the trench and the first substrate and the trench being partially filled with core material.

Referring to claims 24-30, the primary reason for allowance of the claims is the inclusion of the step of reactive ion etching the core material under conditions sufficient to permit reverse RIE lag to occur so as to form trenches with one end deeper than the other.

Conclusion

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin S Wood whose telephone number is (571) 272-2364. The examiner can normally be reached on Monday-Thursday (7am - 5:30 pm).
